

VOGUE

A full-page photograph of model Kate Upton serves as the background for the magazine cover. She is wearing a white, sleeveless, ribbed dress and has long, wavy blonde hair. She is looking over her shoulder towards the camera with a slight smile. The background is a solid light blue.

Vogue's Gallery...

1. ARTSATION.COM showcases the biggest names and works on the contemporary art scene as well as recognising fresh new talent from emerging artists. Pictured is Damien Hirst's 'Beautiful Exploding Spinning Spiral Painting' 1993, Acrylic paint on cardboard, completely unique and verso signed with black pen (priced at £5,600). For more information, visit www.artsation.com or call +49 (0) 8955 05 4450.

2. JESSICA ZOOB creates beautiful, original oil paintings. For more information, visit www.jessicaZoobDesire.com or call 07966 572 204.

3. SHARON WITHERS CONTEMPORARY OIL PAINTINGS. Sharon Withers Art is inspirational and contemporary. The combination of striking colour and visual depth creates an uplifting experience in every environment. Large and small spaces are transformed into impacting features for the home or office. A unique, personal and intimate approach allows Sharon to freely paint inspired by her natural surroundings or through her ability to communicate with clients on commissions and design projects. Available through www.nonakedwalls.co.uk or www.sharonwithers.com or call 07798 614 802.

4. International Artist and Designer FELICITY KEEFE exhibits regularly abroad and throughout the UK. She is currently developing her beautiful work into British made, luxury brand scarves and you can see more of her sumptuous paintings, prints and photography at felicitykeefe.com or email info@felicitykeefe.com

5. NEW ASHGATE GALLERY, Farnham, Surrey showcases a wide selection of the elegant and stylish ceramic works by **ROWENA GILBERT CONTEMPORARY CERAMICS**. To view further works by this award winning British designer maker, visit New Ashgate Gallery, Wagon Yard, Farnham, Surrey, GU9 7PS.

View www.newashgate.org.uk / www.rowenagilbert.com or call 07900 678 707.

6. London-based artist PAUL LEMMON creates bold, bright statement pieces – dynamic brushwork, composition and colour make for supremely impactful and sought-after paintings. Exhibited and collected across the UK, Paris, Hong Kong, and New York. Call 07733 015 663 mrlennon@paullemmon.co.uk or visit www.paullemmon.co.uk

7. WILL ROCHFORD left university four years ago and has created a successful career as an artist whose work is in high demand. His filmic oil paintings are exhibited throughout the country and are in collections around the world. Visit www.willrochfort.com or call +44 (0)770 2287351 for further information.

8. MARK DEMSTEADER is one of the country's leading figurative artists working today, his work combines classical themes with contemporary imagery. His recent exhibitions in London, Japan, and Hong Kong have indicated the current world wide demand for his work. Pictured is "Garland", oil on canvas, 200cm x 160cm. Visit www.demsteader.com or call 07757 870763 for further information.

9. London-based artist, BEN LOWE, has forged a loyal following over the years, mainly of entry-level collectors who are drawn to his striking abstract landscapes and figures. With recent commissions in Melbourne, N.Y.C. and the Far East – and with work hanging in some of London's most exclusive addresses, 2013 looks like being a very busy year for the man who exists under the radar of the mainstream art scene. Visit www.benlowe.com or email ben@benlowe.com
